# Kids Moving Guide

**When shopping for a new house, you look for a For Sale sign in the yard. Color the for sale sign your favorite color.**

Which house is NOT for sale?

A small illustration of a "For Sale" sign. The sign is blue with a yellow border and the words "For Sale" in red. It is on a wooden post with some green grass at its base.

**Once you find the house you want to buy, you must write your name on documents. Practice writing your name.**
